Re: Rahm Emanuel / IGA-A32

Dear Ms. Dejarnett-Miller:

In the enclosed August 30, 2006 letter, I summarized what had transpired to date in connection with the above referenced matter.

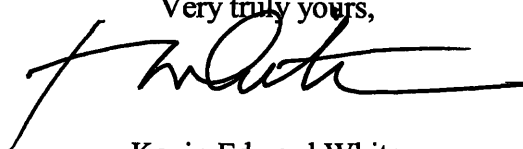

To pick up the narrative where that letter leaves off, by Voice Mail message dated September 6, 2006, you advised that my second set of CD's (sent to you with my August 30, 2006 letter) also were "destroyed."

In a subsequent telephone conversation, you advised me that as a result of the security system that you have at your agency, or at the post office (it is not clear which), materials sent to your office are heated to such an extent that the CDs "melt." You also advised that you were sending me a self addressed Federal Express envelope for my use, your thought being that the Federal Express envelope would not go through so "heated" a security system.

No such envelope has yet arrived. Therefore, I have taken the liberty of sending you both a third set of the CD's and a hard copy paper set of the materials on the CD's.

You also advised that the processing of my complaint has not been delayed by your inability to receive intact these CDs. Please advise then exactly what so far has been done in connection with my original August 3, 2006 filing.

Very truly yours,

Kevin Edward White

Re: Rahm Emanuel / IGA-32

Dear Ms Dejarnett-Miller:

By letter dated August 3, 2006, I forwarded to the FEC the grounds I had for contending that my Congressman, Rahm Emanuel, has involved himself directly in the unfolding scandal here in Chicago regarding the use of City of Chicago resources in the political campaigns of state and federal office holders, including Congressman Emanuel. Since USAG Fitzgerald currently is prosecuting corruption cases involving these campaigns, we addressed our concerns in the first instance to him. Enclosed and for your convenience please find a set of the materials I previously forwarded with my August 3, 2006 letter.

By letter of August 9, 2006, a copy of which I also am enclosing, you advised that my allegations had to be sworn to and my signature notarized. I provided that sworn to and notarized signature to your office by letter of August 15, 2006. A copy of that August 15, 2006 filing also is enclosed.

By Voice Mail message left on Monday August 28, 2006 you advised me for the first time that the CD I had originally sent to you with my August 3 filing had been damaged or destroyed by the United States Postal Service. You asked for an addition CD. Enclosed please find two (2) additional copies of the CD.

For my records, will you please forward to my attention the notice you received from the USPA notifying you that the CD I originally sent was damaged or destroyed? Thank you for all of your continued considerations. Please let me know immediately if you require anything further from me.

Very truly yours,

Kevin Edward White
